# 109. Home Building Process Guide:

## Lumber:

- LUMBERYARD MEETING  
Destination Building Center  
714 Cty Rd #3  
Byron, MN 55920  
507.775.9977 (Dan Johnson)

You will need to make an appointment with Dan. His hours are Monday through Friday 7:30 to 5:30. This will ensure you a speedy process. Please bring your blueprint and specifications with you.

## Plumbing:

- PLUMBING FIXTURES  
Ferguson Supply  
3210 Prow Lane NW  
Rochester, MN 55901  
507.292.9233  
PLUMBING CONTRACTOR: POLISHED PLUMBING

Your plumbing fixtures are listed in your Specifications. Our plumbing contractor supplies these plumbing fixtures for your new home. If you would like to change any of these fixtures, you can do so at Ferguson Supply, the quote change will come from our plumber. There may also be an additional charge from the plumber if the upgraded fixture requires more labor to install. We will not install or warranty homeowner bought plumbing fixtures!

## Flooring, Cabinets, and Cabinet Tops:

- Tile Superstore & More (Lori Miller-Beach)  
2411 7th Street NW  
Rochester, MN 55901  
507.424.5607  
507.951.2110

When you set up an appointment with a Tile Superstore cabinet representative you will need to select the tops for your cabinets and vanities also.

# Appliances:

- APPLIANCES

Appliance Village  
2227 18th Avenue NW  
Rochester, MN 55901  
507.281.2078

If the contract includes an appliance allowance, you may charge these selections to Bigelow Homes. Our plumber and electrician will provide the installation of the dishwasher. Our heating company will also install your micro-hood. The hookup or installation of all other appliances is your responsibility. If your refrigerator has an icemaker, we can run a water line to it and hook it up. This is an additional \$125.00. If this is not included in your contract, you need to contact our office and let us know this before the plumbing is roughed in.

# Electrical Fixtures:

- LIGHTING & ELECTRICAL

Haley Lighting (Valerie Rabe)  
3708 Broadway Ave North  
Rochester, Mn 55906  
507.252.8376

Before doing the electrical wiring on your home we will need a lighting layout. Your lighting salesperson will make a copy of your plan to do this. Your Bigelow Homes job supervisor will call you to schedule a lighting and pre-sheetrock walkthrough at your new home. Bring the lighting plan with you. At this walkthrough we will talk about your lights, outlets, switches, phone, and cable locations. The number of light fixtures, switches, and outlets are based on the State Building Code. This will include an outlet on every wall over 6', and two on walls in excess of 12'. If you purchase and/or deliver any of the light fixtures on your own, they must be marked as to where you wish to have them installed. Light bulbs should be attached to the box. All light switches, outlets, phone and TV jacks will be white unless otherwise specified to Bigelow Homes.. It will be your responsibility to contact the phone company and have service connected to the home. This should be done at least two weeks before your scheduled closing date. As soon as the phone company connects to the wire we have installed on the exterior of the home, your phone jacks will operate. The electrician will also install a blank cover over the cable roughins. You will need to contact the cable company to connect your cable service and provide the interior cable jacks.
